### **What is Leadership Chesterfield?**

Leadership Chesterfield is a program that provides a forum of education and growth for established leaders in the Chesterfield community. Developed by the Chesterfield Chamber of Commerce, this informative and thought-provoking program is structured to challenge participants while being immersed in the inner workings of the Chesterfield community. For seven months, participants in Leadership Chesterfield meet to better understand the issues, challenges and future plan of the Chesterfield community.

### **How does Leadership Chesterfield benefit me and my professional goals?**

#### **Leadership Chesterfield:**

- Fosters and builds lasting professional and business contacts that will benefit you now and continue to benefit you in the future.
- Is a proven learning experience for established business and community leaders.
- The program offers a quick and complete orientation to the ins and outs of the community for those who are new to the Chesterfield business community.
- Is the gateway to becoming more connected in the Chesterfield community.

### **How does Leadership Chesterfield benefit my business or company?**

#### **Your company will benefit from a proven development program that helps:**

- Increase your company's community exposure and awareness to not only Leadership Chesterfield participants but to the Chesterfield community at large.
- Create opportunities to market your company.

### **What are topics covered in the Leadership Chesterfield Program?**

**The seven month Leadership Chesterfield program includes full-days covering the topics of:**

Community Organizations      Government & Public Service      Health Care & Quality of Life  
History, Arts, & Culture      Education & Training  
Community Growth & Development vs. Transportation
